Terry McDonald,
Mayor

City Welcomes New 2nd District Council Member

The New Haven City Council will welcome its newest Council member at its next Council meeting on Tuesday, July 27, 2010. Sarah DiGangi was selected through a caucus process on June 24th and will represent the City's 2nd District, replacing Harold West who stepped down June 1 to move to Florida.

He served on the seven-member council since 2001 and was president from 2002 through 2009. Councilwoman DiGangi will serve the remainder of West's four-year term, which ends in 2011, and she plans to run in the primary next spring. DiGangi has lived in New Haven for 12 years. She earned her bachelor's degree in psychology from Taylor University Fort Wayne and has an MBA from Indiana Wesleyan. She is an operations specialist for CornerstoneVision Counseling and Psychological Services. She and her husband have two children, ages 5 and 4. Sarah is very excited to be serving her neighbors on the City Council and looks forward to meeting and hearing from residents in District 2 as she represents the needs of the community.

Citizens' Adademy (Fall Sessions)

At the beginning of this year, the Mayor's Office announced a new Citizens' Academy Program in New Haven. Back in February, the City hosted participants with guest speakers who presented basic department information to give residents a better understanding of how local government operates. The Citizens' Academy is free to the public and is only offered twice a year. Communities nationwide offer this type of program to educate the public on local government and explain the functions of each department. This fall, New Haven will once again offer this interactive forum for citizens to learn first-hand how the City of New Haven is structured and managed. Residents will also learn the City's relationship with Allen County and other public agencies; what services and programs are available through city agencies; how to access needed services; and how to apply this knowledge by serving as an information resource for neighborhoods, non-profit groups and local businesses in New Haven.

This educational series will be divided into 7 different sessions. The program will begin September 13, 2010 and run through November 8, 2010. All sessions will be held on Monday evenings beginning at 6:30 pm. Meeting locations will vary so that residents can also participate in facility tours during this program. Pre-registration is required and space is limited to the first 40 participants. Residents can request an application by contacting the Mayor's Office at 748-7070 or by downloading the application form on our website at www.newhavenin.org. Registration deadline is September 8th. The Citizens' Academy program was full this past spring; therefore, we strongly encourage you to get involved and register early for the fall session. For more information, please contact Deb-Anne Smith in the Mayor's Office at 748-7070.

BACK2SCHOOL SUPPLY DRIVE IN NEW HAVEN

July 15 - August 25

The Highland Terrace Elementary Parent Teacher Organization, in conjunction with the City of New Haven, will be hosting New Haven's First Annual Back2School Supply Drive beginning July 15 through August 25 - and we need your help! We would like to invite any residents who are able to purchase any extra supplies to help assist families who need help obtaining school supplies for their children and to help alleviate some of the out of pocket expenses our teachers are faced with at the beginning of the year. School supplies and monetary donations will benefit all elementary and middle schools in New Haven, and all collected items will be sorted and dispersed equally among all participating New Haven schools.

If you are interested in helping with this community project and making a positive impact on families, students, teachers, and our local schools in New Haven, please consider purchasing any extra supplies and dropping them off at one of the locations listed below. We greatly appreciate your support! *For more information, please contact Abbie Thomas at 409-8335.*

NATIONAL SERV-ALL RECYCLING TIPS

1. Do **NOT** put any plastic grocery/shopping bags or styrofoam egg cartons in the recycling bins. (They jam the machines used to convey the other recyclables and shut them down several times a day.) Please recycle both the cartons and bags at a C.A.R.E. location.
 2. Only #1's and #2's are being accepted at this time. (Numbers 3 through 7 are being held until they can locate a facility within a reasonable distance to ship them.)
 3. Items such as, microwave ovens, tree limbs and picket fence sections are **NOT** acceptable.
 4. Do **NOT** put any aerosol cans in the recycling bins. (They can explode when crushed.)
 5. Paper labels can be left on cans.
 6. If you are going to be out of town on vacation, please contact National Serv-All (747-4117) to find out if you are eligible for a hold.
- If more of our "trash" were recycled, it could actually cost consumers less money.

NOTE: Effective August 1st, the C.A.R.E. Recycling trailers will be removed from the Summit Street location by the Allen County Solid Waste District due to budget cuts.

IN TREND HAIR DESIGN

Kris Corbin and seven friends have a reason to celebrate. On May 1st, In Trend Hair Design has officially been open for business five years!! In Trend Hair Design is located at 619 Broadway right in the heart of downtown New Haven. Owner Kris Corbin, along with Lisa Becker, Sara Diehl, Jennie Hunt, Rachael Bowen, Jennifer Klotz, Debbie Reyes, and Stacy Preston have enjoyed servicing the hair needs of the people of New Haven and surrounding area for many years (some for as long as 25 years).

In Trend also takes pride in supporting their community by sponsoring a girls softball team, having a team and participating in the 'Relay For Life', and donating to local charity auctions and fundraisers. In addition to the precision haircutting, foil coloring and perming, they also offer up-dos, make-up applications, manicures and pedicures. Congratulations to the ladies of In Trend Hair Design for 5 years of service and supporting the New Haven community.
